Social Europe

EURES is a cooperation network between the European Commission and the Public Employment Services of the EEA Member States (the EU countries plus Norway, Iceland and Liechtenstein and other partner organisations). Switzerland also takes part in EURES co-operation. The network supports workers' mobility and offers high quality services for both workers and employers. EURES is one of the three axes of EaSI, the 2014-2020 EU Programme for Employment and Social Innovation.

This publication has received financial support from the European Union Programme for Employment and Social Innovation "EaSI" (2014-2020).

What is YOUR FIRST EURES JOB?

YOUR FIRST EURES JOB (YFEJ) is an intra-EU and small-scale job mobility scheme. It helps **young nationals** in the 18–35 age bracket of any of the EU countries, Iceland and Norway to find a work placement – job, traineeship or apprenticeship – in another country than their country of residence. It also helps **employers**, in particular small and medium-sized enterprises (SMEs), to find the workers they need for their hard-to-fill vacancies.

YFEJ is an EU labour market activation measure, combining tailor-made employment assistance with financial support for the target groups.

YFEJ is implemented by the '**YFEJ employment services**'. These include the Public Employment Services, members of the EURES network, in cooperation with EURES partners and other public or private organisations. They provide **information, recruitment, matching, and pre- and post-placement** support to both young people and employers.

For further information on YFEJ and the 'YFEJ employment services' see pages 10 and 12.

YFEJ GEOGRAPHICAL COVERAGE

Belgium, Bulgaria, Czech Republic, Denmark, Germany, Estonia, Ireland, Greece, Spain, France, Croatia, Italy, Cyprus, Latvia, Lithuania, Luxembourg, Hungary, Malta, Netherlands, Austria, Poland, Portugal, Romania, Slovenia, Slovakia, Finland, Sweden, United Kingdom and also Iceland and Norway (EFTA/EEA countries).

How to participate

Young people

YFEJ targets young people looking for a job and, in particular, unemployed young people, including long-term unemployed.

All candidates must be aged 18 to 35 when they submit an application, provided they apply before turning 36. Any eligible candidate may qualify for an employment opportunity and for financial support.

For workers from Croatia, please see [transitional measures](#) applicable.

CANDIDATE CHECKLIST

- ✓ National and legal resident of an EU country, Iceland or Norway
- ✓ Aged 18 to 35 when submitting an application
- ✓ Seeking a job in another EU country, Iceland or Norway
- ✓ Jobseeker or job-changer, but not necessarily first-time mobile candidate
- ✓ Can have high or low qualifications when applying
- ✓ Work experience is useful but not essential

'My experience with YFEJ has been all positive. I quickly found work at a German hospital, attended an intensive language course and got my degree recognised in Germany. The scheme is very valuable and offers great life experience.'

Elena Romano, Italian midwife at a hospital in Hannover, Germany

Employers

All legally established businesses or other organisations in the eligible countries can participate in the YFEJ scheme. However, only SMEs may receive financial support.

EMPLOYER CHECKLIST

- ✓ Companies or other organisations legally established in any EU country, Iceland or Norway
- ✓ Have one or more job, traineeship or apprenticeship vacancies to fill
- ✓ Willing to recruit from another EU country, Iceland or Norway
- ✓ Offer a work placement according to national labour and social protection laws
- ✓ Minimum 3 or 6-month contract duration, full-time or part-time work placement (= or > 50% FTE)
- ✓ For trainees or apprentices: able to provide on-the-job skill learning and training, re-settlement support and issue a certificate/declaration of acquired skills and competences at the assignment's end.

The scheme is also open to enterprises from the Swiss Confederation, Liechtenstein⁽¹⁾ or from third countries if they are legally established in any of the countries covered by YFEJ.

All organisations must comply with labour and fiscal laws applicable in the countries where they are established.

'As a company using the YFEJ mobility scheme since 2013, we are very grateful for and satisfied with the services we received. In our opinion, the scheme should be extended as a permanent service.'

**Stefan Dermul, Executive Director,
Euroccor Jsc., Bulgaria**

What's in it for me?

Job offers...

YFEJ is open to job, traineeship or apprenticeship vacancies in any economic sector.

VACANCIES MUST

- ✓ Be located in an EU country (or in Iceland or Norway) other than the candidate's country of residence
- ✓ Meet national labour and social protection laws and offer adequate protection and benefits
- ✓ Ensure remuneration and a contract
- ✓ Have a duration of at least three months (traineeships) or six months (regular jobs and apprenticeships)
- ✓ Specify the skills requirements and working conditions applicable
- ✓ Comply with specific conditions if traineeships or apprenticeships.

... and tailor-made support!

Young people and employers – SMEs in particular – can receive tailor-made recruitment, matching and placement support, combined with financial support if they have registered with a 'YFEJ employment service'.

Jobseekers

Direct financial support to individuals can include:

- a) Interview trip allowance (travel and accommodation costs according to distance)
- b) Cost of language courses
- c) Relocation allowance (variable, according to country of destination)
- d) Recognition of qualifications (flat rate)
- e) Supplementary trip allowance for candidates with special needs and/or from the EU outermost regions
- f) Subsistence allowance for trainees and apprentices

Candidates interested in submitting an application, or **employers** interested in registering their vacancy offers, should contact the 'YFEJ employment services' for further information (page 12). The registration and subsequent proceedings may vary, according to the management model of each 'YFEJ employment service'.

Young people can also benefit from other **free support services** provided by the ‘YFEJ employment services’, consisting of pre- and/or post-placement training (language or other), mentoring support for trainees or apprentices and welcome support in the country of destination.

Candidates are responsible for their travel insurance. If applicable, it is recommended to be in possession of the European Health Insurance Card when travelling or moving to another EU country, Iceland or Norway.

Employers

Apart from vacancy registration, employers can also benefit from recruitment, matching and placement support from the ‘YFEJ employment services’. SMEs taking on young candidates for jobs, apprenticeships or traineeships through YFEJ may qualify for financial support, if they organise an integration programme for the new worker/trainee/apprentice (optional). But whether or not employers do so, SMEs can still benefit from YFEJ support and recruitment services.

Jobseekers must always register with a ‘YFEJ employment service’. The recruitment, matching and placement services must be provided by YFEJ. Registration is no guarantee of job offer and financial support. Jobseekers who found work placements in other countries through other organisations/contacts are not eligible for financial support.

AN INTEGRATION PROGRAMME:

- ✓ must **always** include at least a training or learning component
- ✓ can additionally include other post-placement support
- ✓ can take place in consecutive or separate periods, with no time limit
- ✓ must start during the first three weeks of a job, traineeship or internship
- ✓ may consist of job-related training and/or a language course

Overview of the YFEJ criteria

The table below gives an overview of the YFEJ participation criteria, support measures and funding available. Other costs incurred by target groups other than those specified in the table will not be covered by the YFEJ scheme.

The YFEJ scheme is implemented under the EURES Axis of the 2014-2020 European Programme for Employment and Social Innovation (EaSI) as a 'targeted mobility scheme'. EaSI is a European financing instrument managed directly by the European Commission to contribute to the implementation of the Europe 2020 strategy. Among other priorities, EaSI pays particular attention to vulnerable groups such as young people and promotes a high level of quality and sustainable employment.

The YFEJ scheme draws from the experience of implementing the YFEJ preparatory action. It aims to:

- foster the exercise of workers' freedom of movement as set out in the Treaty on the Functioning of the European Union (TFEU, Art. 45)
- foster the activation of young unemployed people with a comprehensive pack of support services for jobseekers, trainees and apprentices
- support employers and contribute to filling their hard-to-fill vacancies with young workers from the EU countries, Iceland or Norway
- test innovative ways to improve the integration of young mobile candidates in the host country.

THE YFEJ PREPARATORY ACTION

For three consecutive budget years (2011-2013), YFEJ was run as a preparatory action under the Youth on the Move flagship initiative⁽²⁾ and the Youth Opportunities Initiative⁽³⁾, with an EU budget of around EUR 12 million. It was open to young EU citizens aged 18-30 and employees of the EU-28 Member States.

Fifteen projects in total were selected through three calls for proposals, and activities took place between 2012 and 2015. Altogether these projects resulted in some 4250 job placements. Support given also included some 1 730 job interviews in another EU country, 610 language trainings and 405 integration trainings by SMEs.
